

Assistant Commissioner for Patents  
Arlington, Virginia

Sir:

Request Under MPEP Section 707.07(j): The undersigned pro se applicant respectfully requests that if the Examiner finds patentable subject matter in this application, but feels that Applicant's present claims are not entirely suitable, the Examiner draft one or more allowable claims for the applicant.

Respectfully,

Randy D. Akins  
P.O.Box 91680  
Tucson, Arizona
